

REMARKS

Applicants kindly thank Examiners Sirmons and MacNeill for the discussion of the claims in this application during the personal interview on November 27, 2007. An injector device assembly was demonstrated during the interview. Claims 55 and 66 were discussed. Claim 55 will be reviewed by the Examiner with respect to the deformable housing.

As discussed during the interview, Applicants have amended claim 66 to recite that the cover is removably connected to the front end portion of the housing. No new matter has been added. Reconsideration is respectfully requested.

Applicants have also corrected a typographical error in claims 68-72.

IV. SUMMARY

It is respectfully asserted that the claims properly define the invention and that the invention is both novel and non-obvious. Allowance of the present claims is earnestly solicited.

Should the Examiner wish to discuss any of the above submissions or the Amendment filed on October 31, 2007 in more detail, the Examiner is asked to please call the undersigned at the telephone number listed below.

Respectfully submitted,

Dated: December 10, 2007
